

CEC- CEC regular enrollment has opened! Students must apply soon in order to be considered for CEC. If a student is accepted, CEC will notify the student directly by April/May. They are separate entities and all information comes through CEC and ACE is not able to see any updates so it is important for students to use an email that is regularly checked.

CEC course application for the 2025-26 school year will open in January:

- Currently enrolled CEC students - preregistration week will be Monday January 13th through Monday, January 20th. Students will register through their current CEC class.
- New CEC applicants - General CEC course request will begin Tuesday, January 21st on the CEC website. Students will register with the google form link.

APS and Charter School Counselor, CA and District Leaders Breakfast, Wednesday, January 15th. Invites will be sent in mid December.

Parents and students, want to learn more about how CEC works and what it means for you to take a class with us? Join us for a virtual CEC information Q&A on January 15th at 5:30pm. Link provided soon!

CNM- Regularly has classes that start at different times of the school year. CEC will help all students create an account and ensure that students have their usernames and student ID from CNM.
