

## OPPORTUNITIES FOR FAMILIES TO ENGAGE

There are opportunities for parents to participate in various events from resource fairs, parades, project exhibitions, advisory, and more. Family meetings are a great way to learn more about our curriculum, graduation requirements and assessment expectations so please expect a phone call from your child's advisor to schedule these three times a year.

ACE offers a lot more opportunities to engage, including through our Work-based Learning Program, Community School, and our monthly Roadrunner Food Bank pantry.

ACE's Student Support Team also offers numerous resources to families help with housing, food, clothing, transportation, health resources, resume building and job fairs.

The contact for Student Support is Miguel Gonzales, ACE's Achievement Coach.
