Building Leaders with AGC

February Newsletter

2/21/2022-2/25-2022 – EDITION #5

Letter from the Director

Justin Trager

As you may have heard, **ACE is doing a delayed lifting of the mask mandate for all students and staff which will begin on April 4th.** Making decisions like this are taken seriously and we consider multiple perspectives. We sent out a survey to students, families and staff and received 88 responses from 28 families, 18 staff, and 42 students. The survey responses provided good perspectives to consider, and did not lean heavily in any one direction. Based on that, we know not everyone will agree with our decision, but we thank you for your partnership and continued trust in us to do our best for students and families.

We are committed to maintaining a safe culture of choice that supports students and staff to wear or not wear their mask after April 4th. In addition, we will continue to offer free surveillance testing to staff, students and families. Please keep communicating with us if you are not feeling well or have had a COVID exposure so we can make sure you are healthy and safe. Through this collaboration we can ensure that ACE Leadership continues to provide in-person learning throughout the year!

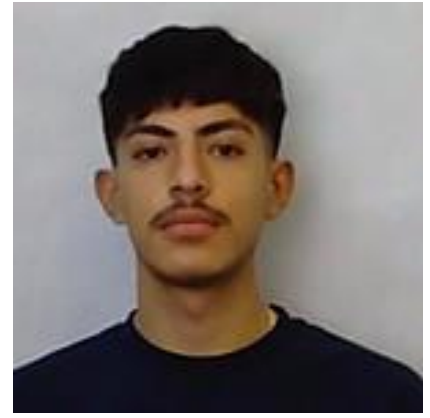

Chato's ACE Influencers

Sammy Franco

Yoshi Loretto

Brayan Segovia

Sammy Franco, Build Your Reputation – In his Deck the Sets course, students were asked to complete a 500-word story as a part of their final exhibition. Sammy, choosing to go above and beyond what was asked of him, wrote an excellent 5-page story with two chapters. Sammy has been diligent in his work and we are so proud of him!

Yoshi Loretto and Brayan Segovia, Build Your Reputation – Yoshi and Brayan recently interviewed for a scholarship from Bradbury Stamm Construction that, if they are accepted, would give them a toolset worth over \$250. Their interviewers told us that they both did an excellent job, and they were professional throughout their entire interview.

EXHIBITION

UPDATE

As some of you may know, ACE's 2nd Trimester is quickly coming to a close. This means that Student Exhibitions are right around the corner! Exhibitions provide an excellent opportunity for students to showcase the skills they have acquired throughout the trimester, as well as demonstrate their professionalism and marketability. Exhibitions also give students the chance to advertise their skills to various industry partners. This is where you come in!

We would be thrilled to have parents, industry partners, and whoever else may be interested, come to ACE on the 7th, 8th, and/or 9th to help judge student exhibitions, as well as help give them experience presenting in front of an audience.

We are so proud of the work that our students have done this semester, and we cannot wait for you all to see it! If you are interested in judging, or if you would like more information, you can reach us at:
