### Partner Spotlight

#### RoadRunner Food Bank

The Roadrunner Food Bank of New Mexico is the largest non-profit dedicated to solving food insecurity in New Mexico. As a food distribution hub, they provide food to hundreds of affiliated member partners around the state including food pantries, soup kitchens, shelters, regional food banks, and our school, ACE Leadership High School.

Michael Jackson, the Regional Manager for RRFB in Albuquerque, is currently a member of ACE's community school board. We are thankful to Mike for his dedication to ACE's mission and for helping us bring our school's vision to life!

## EXHIBITIONS

This past week our students presented their final exhibitions to an audience of parents, teachers, and industry & community partners. The students displayed professionalism, demonstrated their learning, and evinced mastery of their subjects. We extend a huge thank you to everyone who made these exhibitions so special - the students who presented their work, the teachers who helped our students achieve their goals, and our judges who allow our exhibitions to be opportunities for our students to showcase their skills and network with industry professionals.

## Thank You to Our Industry Partners Judges!

# Meet our Interns

ACE's four Community School Student Interns - Gary, Leslie, Kaila, and Julia - have been a tremendous help to us this trimester and we want to thank them for all of their hard work! Our interns have helped us build bridges into the community, advertise the school to prospective students, and represent ACE in a positive light. We are so grateful for all of the hard work they put in, and we cannot wait to see what they achieve with us in the coming trimester.
