Engagement Policy
2021-2022

OPPORTUNITIES FOR FAMILIES TO ENGAGE

There are opportunities for parents to participate in various events from resource fairs, parades, project exhibitions to the annual Matanza. These events are communicated through the Facebook and flyers along with the website. Family meetings are a great way to learn more about our curriculum, graduation requirements and assessment expectations so please expect a phone call from your child's advisor to schedule these three times a year. If you would like to volunteer for these events or within the school in general contact Ryan DeHoyos at (505) 232-4733 or crdehoyos@aceleadership.org.

The annual meeting for Title I will be held in the spring and announced on our Facebook page, in progress reports or report cards and on our website. This meeting gives parents and guardians an opportunity to learn of their rights and responsibilities and to participate in the programs offered at their school.

PARTNERS

Our school is designed to work closely with our industry and community partners as well as our families to create relevant experiences where our students can reach their fullest potential.

The Community Engagement Center and Advisory program play key roles in making this happen.

Some partners we are currently working with are AGC-NM, YDI, Working Classroom, CNM, UNM and Jayne's Corp just to name a few.

ADVISORY PROGRAM

Staying in contact with your child's advisor is very important as this is an easy way to provide feedback, ask questions, provide input and participate in activities at ACE.

Advisors will be contacting parents directly to introduce themselves and provide their contact information.

Attending the monthly board meetings posted on the school's website is another place where you can provide feedback and input.

ACE LEADERSHIP HIGH SCHOOL

ACE ACHIEVEMENT COACH

Miguel Gonzales is our Achievement Coach and he is available for students and their families to support finding and connecting to resources to help with housing, food, clothing, transportation, health resources, resume building and job fairs. His role is to support families so that their child can come to school one time, ready to learn.

Roadrunner Food Bank brings high quality, free food boxes to ACE one a month. Any family who would like a food box is welcome to pick one up. Contact our Achievement Coach, Miguel Gonzales and reserve yours or just stop by. They are delivered on Wednesdays and you can pick up starting at 2 pm.
